Introduction

The Nebula Fuzion is highly portable temperature-controlled flower vaporizer. This all-in-one device is built with quality and ease of use in mind. The accessories (water pipe adaptor) and mouthpiece simply attach through magnetic connections to help load and unload the device quickly. It uses a convection heater with very quick heat up times capable of bringing the best out of any herb. And as one of the smaller vaporizers on the market, the **Fuzion** fits snug in the palm of your hand.

Some features of the kit:

- Convection Heater
- Water Pipe Adaptor - SOLD SEPERATELY
- 10 Sessions Per Charge
- Precise Temperature Control & Quick Heating

Introduction

List of Components

The **Fuzion** kit comes with the following:

1 * **FUZION** Device

1 * USB Cable

1 * Cleaning Brush

1 * Packing Tool

1 * Quick Guide

Getting Started

1. Pull off the mouthpiece base.

2. Load your material into the chamber.

Getting Started

3. Press power button 5 times to turn on/off the device. (The device powers off automatically without any action within 10 minutes.)

4. Use the temperature control "+" and "-" buttons to set the temperature.

Getting Started

5. Press the power button 3 times to switch units between Fahrenheit and Celsius.

6. Press and hold the power button for 3 seconds to activate the heater. The device vibrates when the heater is turned on.

Getting Started

7. Once the device has reached the set temperature, (the device will vibrate) fold out the mouthpiece and begin inhaling.

Do not block inlet holes.

Getting Started

8. To turn off the vibration, press and hold the power and "+" adjust button at the same time for 5 seconds.

Getting Started

9. While in session press the power button 2 times to increase session timer by 30 seconds."

Water Pipe Adaptor

Connect the **Fuzion** to a water pipe by replacing the mouthpiece with the included water pipe adapter accessory. All connections are magnetic.

Nebula Product Replacement

This warranty provides free replacement of an authentic **Nebula** product if it malfunctions due to manufacturing defects. This warranty does not cover any damages outside of expected normal use.

Void of Warranty

Any one of the following conditions will void the warranty:

1. Failure to provide original receipt of purchase.
2. Product failure or damage due to improper use or unauthorized repair or alteration.
3. Product failure or damage due to the use of excessive force or user negligence (i.e. dropping the device, submerging the device in liquids, etc.).
4. Product failure or damage caused by using incompatible parts or wires (i.e. using the wrong power cable, etc.).

Voiding the warranty is not limited to the conditions stated above. This warranty only covers authentic **Nebula** brand products and is valid for **One** year from the user's date of purchase.
